PCCard Firewire Cards																								
Belkin Firewire Cardbus Adapter F5U512u																			☺ 4					

Footnotes

1. Needs block size conversion commands at the OBP prior to use.

ok "/scsi" select-dev
ok 200 0 6 set-dev-blksize

2. Requires patch from ftp.tadpole.com

3. 5/99 Version of Solaris is supported only

4. Supports the use of Firewire for video-conferencing only, there is no support for Firewire storage devices

Please visit Sun Microsystems for help with Sun supported printers
