Really big presents!

10th Anniversary Special

Presents for everyone!

All Rights Reserved

References in this publication to IBM products, services or promotions do not imply that IBM intends to make them available outside the United States.

*IBM, PS/2, OS/2 and Personal System/2 are registered trademarks of International Business Machines Corporation. Quicken is a registered trademark of Intuit, Inc. Lotus is a registered trademark of Lotus Development Corporation. TurboTax is a registered trademark of ChipSoft, Inc. COMPAQ is a registered trademark of Compaq Computer Corporation. Apple is a registered trademark of Apple Computer, Inc. Express Publisher is a trademark of Power Up Software Corporation.

¹The bonus software kit provided through the IBM Business Partner at time of purchase is available only to customers who buy an IBM Personal System/2 Model 30 286, 35 SX, 40 SX or 55 SX and, at the same time, IBM OS/2 or DOS. Purchase must be made, and delivery must be taken, between October 2, 1991, and December 31, 1991. The \$775 software value is a total of the software manufacturers' suggested retail price, and a fixed disk drive and a minimum of 640KB of RAM are necessary to run these applications. Express Publisher requires an IBM or IBM-compatible mouse.

²Customers who purchase PS/2 Model 57 SX during the promotion period will be given IBM OS/2 2.0 and DOS 5.0, both at no additional charge.

³Only purchases of IBM PS/2 Model 35 SX and 40 SX in conjunction with IBM OS/2 or DOS are eligible for the PS/2 rebates. IBM Academic Solutions are not part of this promotion.

⁴See your IBM Business Partner for terms and conditions of the Trade-In Program. This promotion cannot be combined with any customer promotion except the IBM Trade-In Program.

Rebates on models specified while supplies last. Applications for rebates must be received by IBM Program Headquarters by January 31, 1992. IBM reserves the right to modify or withdraw this offer at any time.

IBM personal computing, we're offering you savings on certain models of our best-selling desktop systems. See a participating IBM Business Partner from October 2, 1991, through December 31, 1991, and here's what you'll find...

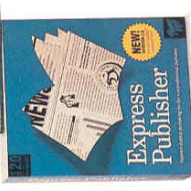

Bonus Software

You get more than \$775 worth of bonus software¹ — four exciting programs to help you better manage your professional and personal work — with your purchase of an IBM PS/2[®] Model 30 286, 35 SX, 40 SX or 55 SX and IBM OS/2[®] or DOS. *Minimum system requirements include 640KB of RAM and a fixed disk drive. Express Publisher™ requires an IBM or IBM-compatible mouse.*

Intuit's Quicken® Financial Pack is a complete financial and productivity solution for home and small business that provides bookkeeping, payroll management, financial reporting, calendaring, appointment scheduling, and address maintenance, and links data to spreadsheets for analysis. How organized can you get?

Lotus®Works 1.0 for information processing — process words, create spreadsheets and databases, use graphics and share data.

TurboTax® is an award-winning personal tax preparation software program. It allows you to complete an entire Federal income tax return quickly and easily. It provides IRS instructions in plain English, calculates, checks for errors and audit flags, and prints approved forms and schedules. Available by coupon fulfillment.

Express Publisher 2.0 — professional desktop publishing for everyone. Automatically flow text around images and stories across pages. Incorporate built-in clip art and instantly scalable type faces. Curve, rotate, stretch and skew text. Make your newsletters, brochures and flyers sparkle.

...plus a *master installation and menu diskette* that helps you get everything up and running quickly. It actually walks you through the process.

In addition, when you buy a model 57 SX, we'll give you DOS 5.0 at no charge, plus a copy of IBM OS/2 2.0, also at no additional charge, upon availability.²

PS/2 Cash Rebates

When you buy one of the IBM Personal System/2[®] models listed below — plus IBM OS/2 or DOS — you'll receive a cash rebate³ as follows:

Model 35 SX	\$150
Model 40 SX	\$200

Just ask for a Rebate Request Form when you make your purchase. Complete the form with the help of your salesperson and mail it with your invoice(s) showing proof of purchase to the address indicated on the rebate form. Keep a copy of the invoice for your files. You should receive your rebate check in about eight weeks.

Generous Trade-In Allowances

If the rebates and the bonus software weren't reason enough to join in the celebration and move up to a PS/2, here's another big one. You can trade up from your existing IBM PC, or trade in eligible models of your old COMPAQ[®] or Apple[®] computers, toward the purchase of a new IBM PS/2.⁴

Talk with your salesperson about PS/2 solutions for professional and personal productivity. And when you do, ask about using the IBM Credit Card for all your purchases.

Join in and be part of the big celebration.
