Microsoft Win32/NT Developers Conference

Microsoft is sponsoring the *Win32 Professional Developers Conference*, July 6–8, 1992, at Moscone Center in San Francisco. The conference includes six tracks of technical sessions covering all aspects of software development for the Win32 and Windows NT environments. Speakers include Bill Gates and Dave Cutler.

Registration is \$795 until 6/19, \$845 thereafter, and includes a copy of the Win32 SDK (software developer's kit) for Windows NT. Call 800/227-4679 or 206/635-6435.

And in the other corner...

IBM is offering the *1992 Personal Systems & OS/2 Technical Update* conference on two different dates. On June 1–5, 1992, it will be held in San Francisco, and on November 2–6 it will be held in Florida. The four-and-a-half-day conference includes over 40 sessions, primarily on various aspects of OS/2 2.0 with a few sessions on PS/2 hardware.

Registration is \$995. Call 800/477-8920 or 312/644-6642, or fax 312/312-6869.

RISC Systems & Applications Forum

This conference is subtitled *An End-User Conference on RISC Technical and Business Developments, Trends and Issues*, and it will be held on May 12–14, 1992, in Sunnyvale, CA. In addition to the cosponsors Andrew Allison of *RISC Management* and Joe Molina of Technology Forums, the speakers include Bernard Guidon, General Manager of HP's General Systems Division; Don Gaubatz, VP of DEC; Phil Hester, VP of IBM's Advanced Workstations Division; and Alan Jennings, VP of Data General.

Topics include "The meaning of RISC," consortia and joint ventures, ABIs and APIs, GUIs, benchmarking, Desktop UNIX implementations, commercial applications, the future of the x86 architecture, and downsizing.

Registration is \$695 for one day, \$1250 for two days, or \$1895 for all three days. Call 612/784-2379 or fax 612/784-0206.

Object Expo

Object Expo will be held on June 1–5, 1992, in New York City. The three-day technical conference and exposition is sponsored by Object Magazine and the Journal of Object-Oriented Programming. The program includes 50 sessions on topics from C++ to object-oriented databases. Separate tutorials will be held on June 1 and June 5.

Registration is \$395 for one day or \$995 for all three days of the conference; tutorials are \$195 each if you are also attending the conference, or \$395 if you are not. Call 212/274-9135 or fax 212/274-0899.

Pen Expo

If you don't want to go to New York to hear about OOP, you can go to Santa Clara to hear about pen-based computers on June 1–4, 1992, in Santa Clara. The two-day conference and two days of tutorials are sponsored by Boston University and PenWorld, publisher of *Pen* magazine. Sessions cover operating environments, hardware platforms, connectivity, handwriting recognition, and markets.

Registration is \$795 for the two-day conference, plus \$295 for one tutorial or \$395 for two tutorials. Call 508/649-4200 or fax 508/649-2162.

SUBSCRIPTION ORDER FORM

Please start my subscription to *Microprocessor Report*. I may cancel at any time and receive a prompt refund on all unmailed issues. A one-year subscription includes 17 issues (one every three weeks) and costs \$445 (two years \$795) in the U.S. and Canada. Add sales tax in California.

European Subscriptions: £345 per year, two years £595. **Elsewhere:** Airmail subscriptions \$575 per year, two years \$995; include credit card information or payment in U.S. funds on U.S. bank (purchase orders accepted from U.S. companies only).

My check is enclosed.
